GREAT PERFORMANCE AT HIGH SPEED

The **d-Color P2130** A4 colour laser printer provides **excellent productivity** and **quality** and delivers very **fast** printouts in **less than 7 seconds** in **black and white** and **8 seconds** in **colour**.
It provides a maximum paper capacity of **2,100** sheets, can handle **various weights** (up to 220 g/m^2) **and formats**, which can be loaded from a **variety of sources** (5 feeders: 1 by-pass and 4 trays*), and a printing speed of **30 pages per minute**. As a result of this flexibility, the d-Color P2130 is particularly suitable for **small to medium-sized workgroups**.
The convenient **USB port** allows **direct printing from a memory stick or pen**, which can be managed from the control panel without using a computer.
The **long life consumables, low noise** and low **TEC** (Typical Electricity Consumption) levels provides users with **eco-friendly printing** with considerable savings in terms of **running costs**.
